*The Wonderful Wizard of Oz* is an American children's novel written by L. Frank Baum and published in May 1900. The book has been reprinted under the title *The Wizard of Oz*, which is also the title of the iconic 1939 film. The story follows the adventures of a young farm girl named Dorothy in the magical Land of Oz, after she and her dog Toto are swept away from their Kansas home by a cyclone. The only way she can return home is to follow the yellow brick road to the Emerald City and ask the powerful Wizard of Oz to help her. On her way to the Emerald city she meets a scarecrow, a Tin Woodman and a lion. The Scarecrow wants a brain, the Tinman wants a heart, and the Cowardly Lion wants courage, so Dorothy encourages them to journey with her and Toto to ask for help from the Wizard.

### 3. Listen to the audiobook in order to do the quiz. Do it individually or compete as a team against other teams in your class.
